

# LOCATION OF AMERICAN INDIAN TRIBES

1. Draw blue stars on the region that is below freezing much of the year.
2. Draw red dots on the region that has a desert climate.
3. Draw purple lines through the region that has a mild, rainy climate.
4. Draw green plus signs(+) on the heavily forested region that has a seasonal climate.
5. Draw yellow Xs on the region that has dry grasslands.

Read your notes and label the following tribes next to the correct numbers above:

Pueblo	Iroquois	Inuit
Kwakiutl	Lakota
