

Directions: Use your notes to fill in the blanks and draw meaningful pictures under the flaps.

Jamestown was mostly an

economic

venture. This means that
the main purpose was to

make money

The company that got
permission to start the
settlement was called

Virginia Company
of London

Jamestown was founded in 1607

Who financed or paid for the
settlement of Jamestown?

Stockholders of
the Virginia Company
of London.

Jamestown was the first per-
manent English settlement
in America. Explain what

this means. It was the
first settlement
created by the English
that was successful &
survived.
