PARENTS/GUARDIANS – PLEASE NOTE AN IMPORTANT CHANGE REGARDING SPORTS EQUIPMENT ON SCHOOL BUSES:

Lafayette Upper Elementary School will no longer permit sports equipment on school buses. Please talk with your children regarding this new policy at LUES and know that it is a safety concern. I am happy to report that our PTA has generously given us sports equipment for students to use at recess and we will be assessing the need for other equipment through the remainder of the school year. They are also interested in collecting gently used sports equipment as donations at this time. You can contact our PTA President, Connie Lane, at (540) 623-8900, or you can e-mail her at luespta@gmail.com if you have any questions about donations. Again, as we begin our second semester on February 4, for the safety of all, students will no longer be allowed to carry sports equipment like footballs, basketballs, soccer balls, and other equipment on our school buses.

Thank you for your attention to this important expectation at LUES!
