**REPORT ON IMPLEMENTATION
OF THE 2016-2017 ANNUAL PLAN**

Submit a report indicating the extent to which the annual plan for the 2016-2017 school year has been implemented (*Code of Virginia*, Section 22.1-215). (Maximum capacity of each text box is 975 characters.)

The Fredericksburg City Public Schools Special Educaton Plan for the 2016-17 school year was fully implemented. The grant paid for a portion of the salaries and benefits of certified special education teachers in the division.

Maintenance of Effort

The Virginia Department of Education (VDOE) is required by federal regulation to ensure all school divisions in Virginia comply with §300.203 of the Individuals with Disabilities Education Act (IDEA), which mandates that school divisions meet a maintenance of effort (MOE) obligation. This regulation requires school divisions to spend at least the same amount from at least one of the following sources: (i) local funds; (ii) state plus local funds; (iii) local per capita; or (iv) state plus local per capita for a current school year on the delivery of special education and related services, as were spent for the most recent fiscal year (i.e.g, 2016 - 2017) for which the information is available, subject to the Subsequent Years rule.

34 CFR §300.203(a) requires that in order for an LEA to be eligible for an IDEA Part B subgrant for the upcoming fiscal year, the LEA must budget, in each subsequent year, at least the same amount that it actually spent for the education of children with disabilities in the most recent fiscal year for which information is available, subject to the Subsequent Years rule. When establishing eligibility, an LEA is **not** required to use the same method it used to meet compliance standard in the most recent fiscal year for which the information is available. An LEA can change methods to establish eligibility from one year to the next, as long as the division uses the same method for calculating the amount it spent in the comparison year for which it is establishing eligibility.

Provide the total local and the total state plus local expenditure budget and per capita amount for the school division's total special education program for the years designated below. The projected/estimated expenditure budget amounts provided must be reviewed and confirmed by the division's fiscal's office.

Local	Local plus State
School Year 2018-2019 (estimated/projected)	School Year 2018-2019 (estimated/projected)
Dollar \$ <input style="width: 150px;" type="text" value="5,299,322.93"/>	Dollar \$ <input style="width: 150px;" type="text" value="6,124,440.59"/>
School Year 2018-2019 (estimated/projected)	School Year 2018-2019 (estimated/projected)
Per Capita <input style="width: 150px;" type="text" value="15,540.54"/>	Per Capita <input style="width: 150px;" type="text" value="17,960.24"/>

If an LEA determines that the budget above did not meet the eligibility standard in any of the four methods for which the information is available, an LEA is allowed to consider Exceptions under §300.204 and Adjustments to MOE under §300.205 to the extent the information is available. These exceptions and adjustments must also be taken in the intervening year (i.e., SY2017-2018) and that the LEA reasonably expect to take these exceptions and adjustments in the year it is budgeting (i.e., SY2017-2018). Please describe which allowable exceptions will be used and provide the corresponding dollar amount. For additional guidance, refer to:

http://www.doe.virginia.gov/special_ed/grants_funding/index.shtml

NOTE: The Dec. 1, 2017 Child Count totals should be used to compute the per capita amounts. The Child Count should be adjusted to exclude students funded through CSA. Also, the budgeted amount must be based on the divisions's preliminary budget and must be within the same level or effort of higher to meet the MOE eligibility requirements by using either dollar or per capita amounts. Division's budgeting the same exact amount it spent in the comparable year (i.e., the year it met its MOE requirement) may be requested to provide additional documentation.

2018-2019 SPECIAL EDUCATION CEIS AND PROPORIONATE SET ASIDE
